NEWS YOU CAN USE, AND MORE!

Observational Quote

"If you put good people in bad systems, you get bad results. You have to water the flowers you want to grow."

- Stephen Covey

"The Real Enemy of safety is not non-compliance, but 'non-thinking'."

-Rob Long

"Let's manage safety recognizing how humans are and stop managing safety the way we wish humans were."

-Unknown.

"If the owner or manager does not show an interest in preventing employee injury and illness, then the employees will probably not give it much thought either."

-Rhode Island Small Business Recovery Program

Insights

41 Construction Safety Statistics for 2024

Despite advancements in safety practices and equipment, the construction industry still faces a significant challenge with high rates of fatal and non-fatal accidents. It holds the unfortunate distinction of having the most

workplace deaths compared to other sectors...

Featured Product

Warehouse, Worksite, and Shop Floor Safety Decals

Please visit our online store www.TruckAndEquipmentDecals.com to view

the many safety and warning decals and

the many safety and warning decals and worksite safety packages we have. Every jobsite, every warehouse building, and every shop floor has its own unique challenges and hazards.

We understand that which is why we'll gladly work with you to create special warning decals – small or large – which you can affix to your own sign boards, walls, columns, or near other potential hazard areas. Have a challenge you've been meaning to address for a while?

Why wait longer!? Shoot us a quick email to info@customservicescompany.com right now or call us at [215-536-5339](tel:215-536-5339) to discuss your worksite or warehouse hazards and ways you'd like to help people "think, before they act".
